

HEART VALVE FOUNDATION OF INDIA (HVFI)

WEBINAR SERIES

COMPLEX TAVI: CASE-BASED LEARNING

(First in a Series of Interactive Case-Based Learning From Experts)

WEDNESDAY,
12 AUGUST 2026

8:00 PM - 9:15 PM IST
(75 MIN)

LIVE WEBINAR

LEARNING OBJECTIVES

- ✓ Identify the key anatomical and clinical challenges associated with TAVI in complex anatomy.
- ✓ Evaluate different procedural strategies through expert-led case discussions.
- ✓ Learn the use of contrast-free multimodality imaging for valve sizing, procedural planning & procedural execution in TAVI for patients with severe chronic kidney disease.
- ✓ Recognize and manage unforeseen complications during complex TAVI procedures.
